

**Are you an elementary school parent already thinking about high school...and your child isn't even there yet?
Want to learn more about our neighborhood high schools?**

Did you know? *Amundsen and Lake View High Schools offer exceptional educational opportunities for all students. From Amundsen's IB program to Lake View's STEM programs...With rigorous academics, diverse arts programs, and abundant athletics and extracurricular activities...*

**Students are walking to neighborhood high schools
that launch them on successful paths at top universities.**

But don't take our word for it!

***Attend the GROWCommunity Parent-to-Parent Panel and Reception
to learn about our outstanding neighborhood high schools
and why they're top choices right now.***

Meet fellow parents who are sending their children to Amundsen and Lake View! Learn how their families chose these schools and hear firsthand about their current experiences as Amundsen Vikings and Lake View Wildcats.

What: GROWCommunity Parent-to-Parent Panel and Reception
Who: Parents of elementary-school children K and up, but all are welcome
When: Saturday, May 21, 2-4 p.m.
Where: Big Bricks, 3832 N. Lincoln Ave. (Upstairs party room)
This is a free event. Appetizers and soft drinks will be served; cash bar.

Please RSVP at <http://bit.ly/GROWParentRSVP> if you plan to attend.

GROWCommunity
Our neighborhood. Outstanding K-12.

GROWCommunity is a non-profit organization working to develop a seamless neighborhood K-12 system on Chicago's North Side with schools that are the top educational choices for neighborhood families.

See more. Get updates. Get involved.
